

**Notre Dame of Maryland University
First Impressions Commitment Pledge
Fall 2018**

I, _____, pledge to fully and actively participate in the First Impressions program. The four workshops included in the program are now on my calendar. I will communicate about any emergency circumstances that interfere with my attendance to the Career Center staff in a timely manner.

All workshops will be held from 5:30-8:30 p.m. Locations will be communicated through email.

Thursday, September 20: The Basics

Thursday, September 27: Personal Branding

Thursday, October 11: Financial Literacy and Negotiation Skills

Thursday, October 18: Mock Interviews and Networking Reception

I understand that I am expected to conduct myself professionally at all meetings and functions (i.e., be punctual, stay for the entire workshop, turn off my cell phone, and dress appropriately). I will open every NDMU email that is sent to me that has "First Impressions" in the subject line and if requested, respond to information requests by the published deadline.

I am aware that if I fulfill the participation requirement, I will qualify for a personal shopping experience to assist in the purchase of interview-appropriate attire. If I choose to accept this award, I will work with the program's faculty and staff collaborators to schedule the shopping experience before February 1, 2019.
