Wilds of the World

STEM IS EXCITING!

Theme: Wilds of the World
Registration: Opens February 1
Grades: K-10

We inspire elementary, middle, and high school students to discover how exciting STEM exploration can be!

Join us for an exciting exploration of the *Wilds of the World*. Investigate different tropical regions of the world and learn about the plants and animals in these amazing ecosystems. Campers will be engaged in a variety of age-appropriate hands-on activities to help them build their knowledge and skills of the vast wild areas of our world. Students entering grades K-10 are welcome to enroll.

Notre Dame of Maryland University is endorsed by the Maryland State Department of Education as a leader in developing progressive STEM programs.

A DAY IN THE LIFE OF A CAMPER

A typical day in the life of our campers might look like this:

8:30-9:30	Team Building
9:30-10:30	STEM Activity
10:30-10:45	Snack
10:45-11:45	STEM Activity
12:00-1:00	Lunch
1:00-3:00	Work on week-long STEM project
3:00-3:30	Outreach with local partner
3:30-4:00	Arts & Crafts/Outdoor Activity with Afternoon Snack
4:00-5:30	Swimming

Campers are placed in small groups with a lead counselor who work with the group throughout the week. Counselors are teachers who have participated in the Master's in Leadership in Teaching: STEM Program at Notre Dame of Maryland University. The camp is run by Professors in STEM fields. Full biographies are available online at ndm.edu/STEMcamp.
