

LOGISTICS

Time and place: STEM Camp takes place at Notre Dame from 8:30 a.m. to 5:30 p.m. Academic activities end at 3 p.m. to allow time for swimming, crafts, and other activities.

Food: Snacks and lunch will be provided for campers throughout the week. Please send a reusable water bottle with your camper each day.

Clothing: Campers should wear comfortable clothing and footwear suitable for walking, running, and playing games. A bathing suit and towel are necessary if campers wish to participate in water activities. Certified lifeguards and staff will be on duty at the pool.

Medical: Parent(s)/guardian(s) are responsible for all medical expenses. Notre Dame of Maryland University does not provide medical insurance.

PAYMENT & FEES

Tuition: \$500

Non-refundable deposit due: June 20

Balance due: July 5

Discounts

1. Current NDMU Employees (both faculty and staff) – 15% off camper's tuition
2. Multiple siblings discount – 15% off 1st child's tuition, 20% off every other child (from the same family)'s tuition

Applications are processed on a first-come, first-served basis. Space is limited, don't delay!

To reserve space for your child, complete the online registration form at ndm.edu/STEMcamp and submit a non-refundable \$100 deposit per camper by the date listed above.

A limited number of needs based scholarships are available on a first come first served basis. Please contact Juliann Dupuis or Lisa Pallett for more information.

Notre Dame of Maryland University reserves the right to dismiss any camper, without refund, for behavior deemed disruptive to the effective operation of the camp.

STEM SUMMER CAMP

JULY 18–22

AT NOTRE DAME OF MARYLAND UNIVERSITY

ndm.edu/stemcamp

SCIENCE IS EXCITING!

Theme: Waters of the World
Registration: Open February 1
Grades: K–8

We inspire elementary & middle school children to discover how exciting STEM exploration can be!

Waters of the World is an exciting and fascinating topic for students of all ages. The many resources and business partners focused on water conservation and preservation available to us in Maryland make this topic very relevant and accessible! Campers will experience five full days of STEM activities focused on science, technology, engineering and mathematics. Each day will tie into the overall theme of Waters of the World.

A DAY IN THE LIFE OF A CAMPER

A typical day in the life of our campers might look like this:

8:30–9:30	Team Building
9:30–10:30	STEM Activity
10:30–10:45	Snack
10:45–11:45	STEM Activity
12:00–1:00	Lunch
1:00–3:00	Work on week-long STEM project
3:00–3:30	Outreach with local partner
3:30–4:00	Arts & Crafts/Outdoor Activity with Afternoon Snack
4:00–5:30	Swimming

Campers are placed in small groups with a lead counselor who works with the group throughout the week. Counselors are teachers who have participated in the Master’s in Leadership in Teaching: STEM program at Notre Dame of Maryland University. The camp is run by professors in STEM fields. Full biographies are available online at ndm.edu/STEMcamp.

Notre Dame of Maryland University is endorsed by the Maryland State Department of Education as a leader in developing progressive STEM programs.
