## WELCOME TO NDMU!

These programs and events will introduce you to the campus environment, provide opportunities for you to meet your classmates as well as faculty and staff, and equip you with the tools and resources necessary for a successful college career. Our hope is that you will attend each program and take advantage of all of the social opportunities. If a time range is indicated for an event, it means either that you have that period of time to check it out or that you will find further instructions in your arrival packet. If only a start time is indicated, please report to the specified location several minutes prior to the beginning of the event.
