Annual Deductible: An amount you could owe during a coverage period (usually one year) for covered health care services before your plan begins to pay. An overall deductible applies to all or almost all covered items and services.

Annual Out of Pocket Maximum: The most you could pay during a coverage period (usually one year) for your share of the costs of covered services. After you meet this limit, the plan will usually pay 100% of the allowed amount.

Copay: A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

Coinsurance: Your share of the costs of a covered health care service, calculated as a percentage (for example, 20%) of the allowed amount for the service. You generally pay coinsurance **plus** any deductibles you owe.

The 2026-2027 benefits listed above are a brief summary of the Notre Dame of Maryland University Student Health Insurance Plan design. Additional Schedule of Medical Expense Benefits/Limitations is specified in the Overview Policy.
